ter of equal importance. It makes a vast differ, which is approved by all, declare that when any soit to receive occasionally those double suonce. Reading, per se, is not recessary. On "form of government becomes destructive," velopes and that excess of pasteboard, tied with the contrary, it may be a positive injury. It we c. "It is the right of the people to alter or the amblematical silken cord, which marked as may alreagthen all the worst passions and em-brute the intellect and the heart. It is easen this is rebellion, we are treading in the footstaps friends, and showed that one was not forgotten These soughts words were whispered by a dying broto the intellect and the heart. It is easen that the mental palmin should be good of nobic predecessors.

In the battle of Perryvals, and who was miscrally and the mental palmin should be good. If our fethers had cause to rebel against the this time, too, photography was beginning to and then only. Let the philosophers, scholars are of Goors III, much more has the South find a capital use for some of that superfluous and then only. Let the philosophers, scholars are also of Abraham the Li for they are New London, has been forwarded to the Secretary of the Navy London and S. jota went close and so the region and S. jota went close and so the source of the disease. Give the intellect gross aliment, and pass.

It must become bloated and enfeebled through bathsomerous and insultion. The worst of it designed to the United States, hence this war a new charm to the hymenial pastaboard of the

An Interesting and Instructive Incident. ndence of the Chicago Times.

HELENS, January 18, 1483. Since the lat of January the children of Hain. are having a hard time of it. They are tree,

with no one to care for them, nothing to live on, half clethed and worse fed. God anly knows ton buyer among the Mississippi guarilies, as gentleman and well liked. Proupt, counteous Colonel Bussey, post commandant, is a true The experience of a Mr. Cones, who was tion. Every day negroes are coming into his

Cones, in company with two or three other Helma, and who was worth half a million of

"Good morning, sir."

"Good morning, sir."

"Where is the commandant of the post?"

in a tone of deep indignation, he demanded, as "No. sir."

"Then get down and unhitch them mules, nothing for them to car, and, as Lincoln has Guerilla.— Have you a match? I want to you will please seat these people at your table.

"No. I cannot." "And you counci keep them!"

she had not shared the former already, she fitting to such murdarous intents, and Cones wondering what next will come in their behalf.

immediate supervision of Geo. Ammon, who Q. Mill; the 6th Texas, Major A. H. Phillips, it: At the mention of pwole, the guerilla who had the 14th Texas, dismounted cavalry, Majo Valerius C. Sanders; the 17th Texas disbeen the most prominent in the capture, and mounted cavalry, Lieut. Col. John T. Coli; the had invited Cones to drink, begun to remon- list Texas, no officer above a licutement; the 25th Texas, Cel. C. E Gillespie; the 19th Ax-Nansas, Liout-Col. A. S. Hutchios an : the 24th He amounces that Michigan is to have the distinguished homor of seading a nigger regiment, which will be raised immediately, to the field.

These effect their purpose, not by any short him standard continuity of seading a nigger regiment, which will be raised immediately, to the field.

Of course be is the hero of this attempt to put the correlations, by endless repetitions, by minute of seading a nigger regiment, which will be raised immediately, to the field.

Of course be is the hero of this attempt to put the correlation of the great powers of nature and as from one to two millions of soldiers have been raised to crush the rebellion in the South. Richardson—"Well, I've got to parole that d—d contractor of the parole that d—d contractor of the soldiers have been raised to crush the rebellion in the South. Richardson—"Well, I've got to parole that d—d contractor of the soldiers have been raised to crush the rebellion in the South.
